ETHIOPIA 8:15
(Walcott)

NEW LIGHT 15:03
(Walcott)

"He certainly was one thinking in being living.
He was completely thinking about some of the things about
which he was thinking. He was not completely
thinking about some of the things he was thinking about
in being one being living. He was completely thinking
about some of the things he was thinking about in being living.
He was not completely seeing being one being one completely
thinking in being one being living."

Gertrude Stein
"The Making of Americans"

Recorded September 1978
at Musicbiz Tonstudio, Ludwigsburg
Engineer: Martin Wieland
Cover Photo/Design: Frieder Grindler
