

MSTISLAV
ROSTROPOVICH

Violoncello (Solo)

1954-5

Recorded at the Royal Albert Hall, London, England, in 1954

The cello is a family instrument which has been known for centuries. It is one of the oldest and the most expressive of all instruments. It is a member of the string family, and its sound is rich and warm. It is a solo instrument, and it is often used in orchestras and chamber groups. The cello is a very expressive instrument, and it is often used to play the most important parts in many of the great works of music. It is a very expressive instrument, and it is often used to play the most important parts in many of the great works of music.

Dvořák CELLO CONCERTO

Mstislav Rostropovich

The Royal Philharmonic Orchestra conducted by Sir Adrian Boult

RECORDED AT THE ROYAL ALBERT HALL, LONDON, ENGLAND, IN 1954

SEE
358

Among all the cello concertos, it is perhaps the most beautiful. It is a masterpiece of the cello repertoire, and it is often used to play the most important parts in many of the great works of music. It is a very expressive instrument, and it is often used to play the most important parts in many of the great works of music.
