**LIVING CONCERT SERIES**

**THE LIVING CONCERT SERIES** is a series of recordings that have been made since 1970, and are the result of a long-term project to record the best live performances of the world's greatest composers. The series is a testament to the art of live performance, and to the dedication of the artists and the recording engineers who have made it possible.

**ACAPPELLA** is a series of recordings that have been made since 1970, and are the result of a long-term project to record the best live performances of the world's greatest composers.
