BIG MAN

**SIDE 2**  
MIDNIGHT, UNRECORDED  
MIDNIGHT, RECORDED  
MIDNIGHT, RECORDED  
MIDNIGHT, RECORDED  
MIDNIGHT, RECORDED

In the days of long-haired rock, unshaved faces, leather jackets,  
fling, drugs, and drinking, an honest recording by an original rock  
band is something special.

It's UNRECORDED ALBUM, a set with a startling "this is the only thing  
we'd expect to hear" quality. It's a collection of songs that were  
recorded and then left in the vaults. It's a collection of songs that  
were left behind and waiting to be heard by you. It's a set of  
great rock music without being that conventional.
