IT'S HARD TO FIND THE TITLE OF THIS RECORD would be the choice of a hundred more jazz critics or musical historians. The title is so obvious, so general, so broad, so sweeping, that it's almost impossible to think of anything else. Benny Carter, the great alto saxophone player, is the subject of this record. It's a record that's been in the making for a long time, and it's interesting to realize that in the case of Benny Carter, it's a record that's been in the making for a long time.
