

Here is a lady girl with a good big voice and a bigger heart. Her style is all that sophisticated, elegant, and exciting. Marva Whitney is a singer playing with soul in her voice. It's the way she sings that makes her so special. She's got that old-fashioned, soulful sound that's been missing in pop music for a long time. She's got that old-fashioned, soulful sound that's been missing in pop music for a long time. She's got that old-fashioned, soulful sound that's been missing in pop music for a long time.
