

DIGABLE PLANETS
Intercommunal Sound Service

VOLUME 1 © 1994 Pandulum Records

BLOWOUT COMB

Following the gold-selling commercial success of their debut effort, Digable Planets did not sit still. Their unique sound was with them when they moved to Atlantic and showed no signs of slowing down. In fact, the music is a blend of jazz and hip hop and features some of the most innovative and exciting instrumental in offered here. It's a colorful, funk-brewed feast and definitely it's the perfect choice to introduce you to the best music in the business to the best band.

Following the gold-selling commercial success of their debut album, Digable Planets set out to prove their artistic prowess with 1994's *Blow Out Comb*. An album as diverse and vibrant as their home borough of Brooklyn, the music is a blend of jazz and hip hop and effortlessly mixes live instruments with samples. Digable Planets' most important and lasting document is offered here in a package more beautiful than ever before. It's the perfect excuse to reconnect with *Blow Out Comb* – or to discover it for the first time.
