"The first break of sunshine in Sabbath's long night, as heavy metal's originators came to California and discovered the warm temptations of the world beyond Birmingham, England."
— Ian Christie, author
Sound Of The Beast: The Complete Headbanging History Of Heavy Metal

"Molten rocks hurtling across space imitating the origin of the universe, you dig? Ah, lay those chord slabs on my grave... whew. The Sabs are genius."
— Tom Clark, *Rolling Stone*, 1971
