Lee Ritenour & Larry Carlton: Larry & Lee Article-

Format: 2LPs 180g 33rpm / gatefold sleeve, insert Release date: 25.06.2017

Manufacturer: Khiov Music Original label: GRP Genre: Jazz Pop

Larry Carlton and Lee Ritenour have had parallel careers, but this album is their first joint meeting on record. The two guitarists complement each other well and there are hints of Wes Montgomery along with a tribute to Joe Pass ("Remembering J.P."), but the songs (all of them their originals) are little more than rhythmic grooves most of the time with the usual fadeouts. The consistently lightweight music is reasonably pleasing but never too stimulating. SCOTT YANOW

"Larry & Lee" - Lee Ritenour, Larry Carlton (g, keyb); Jerry Hey, Gary Grant (tp, flh); Bill Reichenbach (tb); Larry Williams (synth, ts); Greg Phillinganes, Rick Jason (keyb); Melvin Davis (b); Omar Hakim, Harvey Mason (dr); Cassio Duarte (perc); a.o.
