

more classical music for people who **HATE** classical music

There are two main reasons why people hate classical music. The first is that it is too long. The second is that it is too serious. But what if you could have the best of both worlds? What if you could have the excitement and energy of pop music, with the sophistication and depth of classical music? Well, now you can. Introducing the Boston Pops Orchestra, conducted by Arthur Fiedler. This is the only orchestra in the world that plays both classical and pop music. And now, for the first time, they are recording on RCA Living Stereo. This is the sound of the future. This is the sound of the Boston Pops Orchestra, conducted by Arthur Fiedler.
