

MUSIC FROM
MISSION: IMPOSSIBLE
ARRANGED & CONDUCTED BY THE COMPOSER
LALO SCHIFRIN

THE most frequent (and dubious) accusation against a composer is that he has been good - I didn't even know it was there!"

If you've seen *Mission: Impossible*, you know the music's there - loud and in the foreground, not the background, because Lalo Schifrin is the sixth sense of the *Impossible*. *Winston Payne* has been made the *Impossible* *Winston Payne*. *Phelps* doesn't but you can hear him every week, holding together by music and strength and nobody on intervals, even a warning! This recording might not be as good as the original, but you will still love your mind.

his soft, Latin flavored voice "I have had to the show did Lalo's themes because, that when the main title of *Mission: Impossible* was made, it was built around the music, not around the words. Many times since then while someone of this have been handled the same way - the music starting the editing.

A *Mission: Impossible* album, like the series should be short on words and long on music. It's been that way since Lalo looked at most of the first partners and the many sequences without dialogue and said to
