

Roy Orbison - The All-Time Greatest Hits Of Roy Orbison GAIN 2? Ultra Analog 180g 2LP (Shipping September 2008)

Before being wooed away by the old MGM Records label, Orbison experienced an astonishing run for Monument, placing fifteen singles (all included here) in the Top 100 on the pop and country charts.

Numbered Limited Edition LP Packaging!

After much success (and a little luck) with our Little Richard hits packages, MoFi next visited the Sony vaults to identify and audition the original masters of another rock pioneer. This famous Roy Orbison collection had originally been compiled by Monument Records in 1972 and has stayed in print ever since. Before being wooed away by the old MGM Records label, Orbison experienced an astonishing run for Monument, placing fifteen singles (all included here) in the Top 100 on the pop and country charts.
