Sonny Rollins On Impulse (45rpm-edition)

Format: 2LPs 45rpm / gatefold sleeve

Manufacturer: Acoustic Sounds

Release date: 25.11.2010

Sonny Rollins made some excellent recordings for Impulse in the mid-1960s, a time when his unassailable skills and acrobatic approach made him a leading saxophonist, and one of the few to rival John Coltrane. "On Impulse" has only five tracks, but each tells the complex, glorious story of Rollins' talent, especially in the stretched-out solos where his knack for inventively, endlessly de- and re-constructing is evident.

"Sonny Rollins On Impulse" - Sonny Rollins (ts); Ray Bryant (p); Walter Booker (b); Mickey Roker (dr)
