Cannonball Adderley: Somethin' Else

Format: 2 LPs 45rpm / standard sleeve

Release date: 30.11.2008

One of the best known record dates in the history of modern jazz, the chemistry among Adderley, Miles Davis, Hank Jones, Sam Jones and Art Blakey is amazing. Their reworkings of "Autumn Leaves" and "Love For Sale" are masterpieces. Miles' title tune and Nat Adderley's "One For Daddy-O" are classics.

»Cannonball Adderley's "Somethin' Else". Known by many as 'Kind of Blue 2', arguably produced the finest version of "Autumn Leaves" and "Love For Sale" ever recorded, it was a legitimate attempt to bring Miles back for an encore. The muted tonality is a tour de force ... a clinic on trumpet if you will.« – Rich Brown, Klipsch Audio Technologies
