

Frank Sinatra - Live In Paris GAIN 2™ Ultra Analog 180g 2LP  
MFSL 2-312

Live In Paris is Frank Sinatra's definitive concert album. No live set better captures the essence of the singer's voice, showmanship, and command than this 1962 session.

Numbered Limited-Edition 180-gram 2-LP Set Sourced from Original Master Tapes

Live In Paris is Frank Sinatra's definitive concert album. No live set better captures the essence of the singer's voice, showmanship, and command than this 1962 session. Backed only by a sextet, the main focus here is on Sinatra's peerless singing, phrasing, and style. It's impossible to overstate the magnificence of the interpretations here. Looking for the ultimate renditions of "My Funny Valentine," "One for My Baby," "Night and Day," and "Ol' Man River"? Search no more.

Ever since its 1994 release, the lone drawback to Sinatra in Paris has been that of the inferior sound quality. Lament the shortcoming no more. Half-speed mastered from the original tapes, Mobile Fidelity's numbered limited-edition 2-LP set lifts the veil on the music, and allows it to soar with a richness, texture, openness, and presence that have until now gone missing.
